Cybersecurity Internship Program – Task & Submission Guidelines

Task Submission Deadlines

| TASK NO | SUBMISSION DATE |
|------------|---------------------------|
| Task 1-9 | 27 th SEP 2025 |
| Task 10-16 | 04 th OCT 2025 |
| Task 19-20 | 11 th OCT 2025 |
| Task 21-24 | 25 th OCT 2025 |

Important Note on Originality

During the course of this internship, online resources may be utilized for knowledge and training. However:

- **Do not reproduce** content verbatim from Google or other search engines.
- Any instance of **plagiarism or suspicious behavior** will lead to termination.
- Always **assimilate, interpret, and present information** in your own words, ensuring originality and professionalism.

Task Breakdown

Task 1 – 9

- Solve the following rooms/labs:
 1. [Intro to Research](#)
[Starting Out in Cybersec](#)
 2. [DNS in Detail](#)
[Pentesting Fundamentals](#)
 3. [Linux Fundamentals Part 1](#)
[Linux Strength Training](#)
 4. [OpenVAS](#)
[UltraTech1](#)
[Physical Security Intro](#)
 5. [Passive Recon](#)
[Active Recon](#)
 6. [OHSint](#)
[Shodan](#)
[Google Dorking](#)
 7. [Win AD Basics](#)
[SearchLight OSINT](#)
[Sakura](#)
 8. [OWASP Top 10 \(2021\)](#)
[Secure SDLC](#)

9. [Python Basics](#)
[Intro to PoC Scripting](#)

Task 10 – 16

Complete the following:

- [Traffic Analysis Essentials](#)
- [Python Playground](#)
- [Peak Hill](#)

Task 17 – 20

- Task 17:
 - [Dark Web, Anonymity & Cryptocurrency \(EC-Council\)](#)
 - [Wi-Fi Hacking 101](#)
- Task 18:
 - [SQL Injection Attacks \(EC-Council\)](#)
 - [Win64 Assembly](#)
- Task 19–20:
 - [SAN & NAS Storage \(EC-Council\)](#)
 - [Win64 Assembly](#)
 - [Reverse Engineering Files](#)

Task 21 – 24

- Task 21: [Snort](#)
- Task 22: [H4cked](#), [C2C Carnage](#), [CCT 2019](#)
- Task 23: [Attacking Active Directory](#), [Post Exploitation](#), [Intro to SIEM](#)
- Task 24: [History of Malware](#), [Malware Intro](#), [Basic Malware RE](#), [Malware Researching](#)

Task 25 (Optional) – Policy Review & Compliance

- Review the [Apollo Hospitals Privacy Policy](#)
- Assess compliance against HIPAA Standards
- Identify gaps and suggest improvements.

Assessment Framework

- **Tasks (1–25):** Each carries **2 marks** → Total **50 Marks**
- **Final MCQ Test (4th Aug):** 50 Marks
- **Overall Assessment:** 100 Marks

Submission Guidelines

1. **Google Drive Setup**
 - Create a folder named “**Internship Task Submission**”.
2. **Subfolder Creation**
 - Inside, create **25 subfolders** (Task 1 → Task 25).
3. **File Upload**
 - Upload **screenshots, certificates, or task reports** to respective subfolders.
4. **Presentation Development**
 - Create a PowerPoint presentation with task completion evidence.
 - Include **screen recordings (refreshing the page for verification)**.
5. **Upload Presentation**
 - Place the PPT in the **main folder**.
6. **Access Permissions**
 - Set folder sharing to “**Anyone with the link**”.
7. **Final Submission**
 - Submit folder link here: [Submission Form](#)

✅ **Note:** Ensure all submissions are made **on or before the deadlines**. For queries or challenges, reach out immediately.
